- WHAT:** It's here!! FCAT Explorer is an internet based FCAT learning and practice tool. FCAT Explorer requires Netscape, Internet Explorer, AOL browser or other comparable browser. FCAT Explorer also requires the latest compatible version of Macromedia Flash . Check System Requirements at the www.fcatexplorer.com site or go to www.macromedia.com and download latest version of "Flash"
- WHERE:** www.fcatexplorer.com will work at home or at school. It can be used anywhere that has a browser and the "flash" plug-in.
- WHEN:** Right Now!! Students have been pre-enrolled and their accounts should be active. See Mr. Kelly in the media center if you encounter login problems.
- HOW:** If you can use the internet, you can use fcat explorer. Help screens and useful tips are included at www.fcatexplorer.com.
- WHY:** The FCAT is a comprehensive test which the state of Florida requires.
YOU MUST PASS THE FCAT TO GRADUATE HIGH SCHOOL!
